Gentlemen and Mrs. Schmidt:

Attached hereto is a copy of a resolution pertaining to one (1) zoning ordinance amendment acted upon by the City Plan Commission at their regular meeting held June 28, 1976. In addition to the reasons outlined in the resolution, the following are additional remarks pertaining to the ordinance involved.

1. Bill No. Z-76-05-14
2. From "R3" to "BLB"
3. Intended Use: Petitioner requested rezoning in order for the property to be used for a small office or business.
4. Plan Commission Recommendation: DO NOT PASS

This ordinance received a DO NOT PASS recommendation for the following reason:

- a. In reviewing the site, it is apparent that the zoning on this property should not be changed. The commercial strip along East State Blvd., extends as far east as Alabama Avenue. Granting this request would encourage a future encroachment into the residential neighborhood.

If there are any questions with regard to this ordinance, please feel free to call on us.

# City Clerk Memorandum

CHARLES W. WESTERMAN, Clerk

To All Members of the Common Council Date July 13, 1976  
From Charles W. Westerman, City Clerk  
Subject 1977 BUDGET

COPIES TO:

In preparation of the 1977 Budget submitted by the City Clerk it was my understanding that the Clerk is responsible for submitting a budget to the Mayor and his budget committee headed by the Controller for the purpose of entering said into the levy of the City tax rate. It is also my understanding that said budget can be reviewed and can only be cut and reduced by the Common Council of the City of Fort Wayne. I therefore thirty (30) to forty (40) days ago, submitted said budget for the Office of the Clerk, for the Violation Department of the City of Fort Wayne, and for the Common Council. These figures were incorporated into one budget headed by the Office of the Clerk. Said increases in the budget became apparent because the Council had requested through an Ordinance various increases in the staff: a legal advisor, a research analyst, and a clerical aide.

Upon receipt of the 1977 Budget Ordinance from the Mayor, I found that the Mayor and the Finance Department of the City had changed and reduced the Clerk's budget. The draft of said budget was prepared with the aid of the Chairman of the Common Council and many new additions were fixed in the 1977 Clerk's budget.

Therefore, after consulting with the President of the Common Council on July 13, it is recommended that the budget be introduced as presented by the Mayor excluding the Clerk's budget and said Clerk's budget will be added to the introduced budget after the Finance Committee and members of the Common Council review the legality of the presentation of the submitted Clerk's budget directly to Council.

# City Clerk Memorandum

CHARLES W. WESTERMAN, Clerk

To Councilmen and Mrs. Schmidt Date July 13, 1976  
From Charles W. Westerman, City Clerk  
Subject Revenue Sharing Funds

COPIES TO:

On July 6, 1976, it became apparent that a visit to the Chief Executive of the City of Fort Wayne, Mayor Robert E. Armstrong, was necessary to discuss the lack of summer employees provided through the Common Council by the Revenue Sharing Package.

I explained to the Mayor that I was not offered nor notified of the availability of revenue sharing employees. All summer employees were allocated to various departments by the Mayor through the Personnel Department headed by Mr. Layton. I pleaded with the Mayor that I needed said assistance to clear up some backlogged work and I explained to him that I felt that the office of the Clerk was entitled to some personnel from this summer employment program. He was at the time sympathetic and understanding and surprised that I was not offered any revenue sharing employees by Mr. Layton. I asked the Mayor for his assistance and he assured me that he would contact Mr. Layton, Personnel Director of the City of Fort Wayne, and get back to me with an answer regarding this situation.

In my absence from the City, I received a call from Mr. Layton on July 8 and my secretary talked with him. Mr. Layton said "You are a day late and a dollar short. They (council) held up this money, it came late and we put everybody to work right away. There has been a turnover, but we have a waiting list. What exactly are you looking for?" Upon my return to Fort Wayne after attending a training session for Clerk and City officials in Chicago, I visited with Mr. Layton and explained to him the necessity of summer employees to enable my permanent employees vacations and to clear up many projects that are backlogged in my office.

Mr. Layton's reply was that very little could be done. "If you expected to have any of these employees, you should have notified me." It has become apparent that he notified every other department and also called members of the Council and other citizenry of the City and solicited names for summer employees but failed to notify the Clerk or any members of the staff of the Clerk of the availability of revenue sharing employees.

Therefore, I ask the Council to rectify this by increasing the revenue sharing package by amendment or by securing for this office through the City Personnel Department, three part time summer employees for the remainder of the summer.
